Montana State University

Institution Location	MT
Program Name	Montana State University - Marriage, Couple and Family Counseling - M.S.
Program URL	http://www.montana.edu/hhd/academicprograms08/graduate/counseling/mfc.htm
Program Outcomes Report	http://www.montana.edu/hhd/graduate/counseling/cacrepstats.html
Program Description	The Marriage and Family Counseling program prepares counselors to address mental health and relationship problems from a family systems perspective. Students are taught a conceptual framework for assessment and intervention that emphasizes the multiple systems and family context of human development. In addition, the program is a positive, competency-based model of family functioning that focuses on individual development and treatment in context of interaction systems within and between the family and outer environmental systems (i.e., economic, social, and cultural), and emphasizes collaboration across mental health disciplines.
Program Degree	M.S.
Program Contact	Dr. Rebecca Koltz PO Box 173540 218 Herrick Hall Bozeman MT 59717-3540
Graduates of this program are considered CACREP graduates beginning	09-01-1991
Accreditation Start Date	03-01-1993
Accreditation Expiration	03-31-2023
Accreditation Status	8 Year
Status Information	The program was found to meet all standards in a satisfactory manner.

Montana State University

Institution Location	MT
Program Name	Montana State University - School Counseling - M.Ed.
Program URL	http://www.montana.edu/hhd/academicprograms08/graduate/counseling/sc.htm
Program Outcomes Report	http://www.montana.edu/hhd/graduate/counseling/cacrepstats.html
Program Description	The School Counseling program is designed to prepare students to work in public or private schools as professional counselors. Upon completion, students are eligible to apply for a Class 6 Specialist Educator License as a school counselor with the Montana Office of Public Instruction. No teaching license or certificate is required for the Class 6 Specialist License (School Counselor). Competent school counseling practice is informed and guided by theory. The School Counseling program emphasizes thorough knowledge of counselees' developmental and social contexts. During counseling practicum and internship, students are closely supervised in their use of counseling skills with school aged students.
Program Degree	M.Ed.
Program Contact	Dr. Rebecca Koltz PO Box 173540 218 Herrick Hall Bozeman MT 59717-3540
Graduates of this program are considered CACREP graduates beginning	09-01-1991
Accreditation Start Date	03-01-1993
Accreditation Expiration	03-31-2023
Accreditation Status	8 Year
Status Information	The program was found to meet all standards in a satisfactory manner.
