November Service Project: Can The Griz Food Drive

ALD is proud to help with the Can the Griz Food Drive again this year! We will be placing plastic bags with information about the food drive around the neighborhoods of Bozeman on November 1-2. The competition takes place between November 6th and 20th. Last year the Bobcats creamed the Griz with

14,000 lbs of food compared to their 4,000 lbs. Student Organizations that bring in the most food will win a \$100 gift card to Colombo's. If you are interested contact Stephen from The Office of Community Involvement.

October Service Projects Update

Our first Spring Meadows visit was a great success! Special thanks to Sabre Moore, Ethan Perry, and Ryan Harrison for helping out! Stay tuned for information on our next visit. Bowl for Kids' Sake was also tons of fun. We

raised \$659.50 for Big Brothers Big Sisters. Lastly, concessions for the football games have been going well, a big thanks to all the volunteers who have helped out so far! Keep your eyes open for post-season games; if we host one additional volunteers will be needed to help out!

Other Service Opportunities

Eagle Mount puts on a program every year with local ski areas Big Sky and Bridger Bowl to help disabled children learn to ski/snowboard.

At Bridger Bowl the program goes on every day,

however Tuesdays, Thursdays, and the weekends are when volunteers are most needed. You volunteer for 2 hours from 10-12 or 1-3 and receive a free ski pass for the rest of the day.

At Big Sky times vary, but each time you volunteer you receive a ski pass for the day and a voucher for another day.
