

# EELE 354: Electric Power Applications

## Homework 1: Electrical Fundamentals

Assigned: Wednesday, 09/03/2013

Due: Wednesday, 09/10/2013

Read through Chapter 2 of your textbook, Industrial Electricity, 8th Edition by Brumbach. At the end of the chapter are review questions.

- Answer the multiple choice questions 1 through 10.
- Solve problems 1, 2, 4, 6, 7, 8. (Third set of problems. Skip the second set of problems asking for complete answers.)
