Date: __February 11, 2016__

Vote Necessary: Majority

1. **Intent:** To affirm the support of the Associated Students of Montana State University (ASMSU) for the allocation of $600,000 of Student Building Fees for the Haynes Hall ventilation system upgrades.

2. Whereas, Haynes Hall is home to several studio, shop, and laboratory spaces for the School of Art, including but not limited to areas for painting, print making, welding, and ceramics; and,

3. Whereas, the current ventilation system in Haynes Hall can no longer provide an adequate quality of air for many indoor spaces within the building.

4. Therefore, let it be resolved that: ASMSU supports the allocation of $600,000 of Student Building Fees to support the proposed projects in Haynes Hall.

5. Let it be further resolved that: a copy of this resolution be sent to Dr. Kregg Aytes, University Facilities Planning Board Chair; Walt Banziger, Campus Planning, Design, and Construction; Lauren Sherman-Boemker, Campus Planning, Design, and Construction; Randy Stephens, Campus Planning, Design, and Construction; David Singel, Associate Provost; Vaughan Judge, Director, MSU School of Art; Levi Birky, ASMSU President; Marianne Brough, ASMSU Director of Operations.
