From MSU News Service

BOZEMAN -- Montana State University Extension's booth at the Saturday August 15 Farmers' Market at the Gallatin County Fairgrounds will feature a horticulture specialist and a plant disease diagnostician to answer questions.

Toby Day, MSU Extension horticulture associate, and Linnea Skoglund, plant disease diagnostician at MSU's Schutter Diagnostic Lab, will be available to answer horticulture, garden and plant disease questions.

They will also provide Extension fact sheets and people can bring in plant samples for diagnosis or identification. The public can also contact Extension specialists at MSU's Schutter Diagnostics Lab, (406) 994-5150.
