

**Bring 4-H and insect questions to Extension experts at Sept. 5  
Farmer's Market**

Montana State University Extension's booth at the Saturday September 5 Farmers' Market at the Gallatin County Fairgrounds will feature an insect specialist and an Extension 4-H agent to answer questions.

Ruth O'Neill, from MSU's Schutter Diagnostic Lab will answer questions about insect pests and Danica Jamison, MSU Extension agent, Gallatin County will answer questions about 4-H. Montana 4-H is the youth development program of Montana State University Extension.

The pair also will provide Extension fact sheets and people can bring in plant samples for diagnosis or identification. The public can also contact Extension specialists at MSU's Schutter Diagnostics Lab, (406) 994-5150.
