BOZEMAN -- Montana State University Extension's booth at the Saturday July 11 Farmers' Market at the Gallatin County Fairgrounds will feature a tree and shrub specialist and an insect specialist to answer questions.

Bill Hoch, from Montana State University's Department of Plant Sciences and Plant Pathology will be available to answer questions about trees and shrubs for the home landscape. Ruth O'Neill, from MSU's Schutter Diagnostic Lab, will answer questions about insect pests.

The pair also will provide Extension fact sheets and people can bring in plant samples for diagnosis or identification. The public can also contact Extension specialists at MSU's Schutter Diagnostics Lab, (406) 994-5150.
