Meet Baby T!

Baby T, one of the life-sized cast members from the renowned show "Walking with Dinosaurs," is coming to the Museum of the Rockies.

Friday, March 26, 2010

3 - 4pm

Museum of the Rockies

Free and open to the public

Don't miss this great opportunity to meet Baby T, the young *Tyrannosaurus Rex*, and learn more about "Walking with Dinosaurs," the larger than life show starting next week at the MetraPark Arena in Billings.

About Walking with Dinosaurs: The show displays ten species from the entire 200 million year reign of the dinosaurs, including the *Tyrannosaurus Rex*, the terror of the ancient terrain, as well as the *Plateosaurus* and *Lilliensternus* from the Triassic period, the *Stegosaurus* and *Allosaurus* from the Jurassic period and *Torosaurus* and *Utahraptor* from the awesome Cretaceous. The largest of them, the *Brachiosaurus* is 36' tall and 56' from

nose to tail.
