Bring water quality and plant disease questions to Extension experts at Aug. 22 Farmers' Market

Summary: MSU Extension's booth at Saturday's Farmers' Market will feature water quality and plant disease specialists.

Contact: Mary Burrows (406) 994-7766

MSU News Service

BOZEMAN -- Montana State University Extension's booth at the Sat., Aug. 22 Farmers' Market at the Gallatin County Fairgrounds will feature a water quality and plant disease specialist to answer questions.

Suzanna Carrithers, from the MSU Water Quality Project, will be available to answer questions about water. Linnea Skoglund, plant disease diagnostician from the Schutter Diagnostic Lab, will be available to answer questions about plant diseases.

The pair also will provide Extension fact sheets and people can bring in plant samples for diagnosis or identification. The public can also contact Extension specialists by calling (406) 994-1750.
