

# Computer Access

MSU provides computer access for all students via the global student computer labs. Locations are in Reid Hall, Roberts Hall, Cheever, and Renne Library. For more information about the global student computer labs see our Web page at <http://greywulff.gsl.montana.edu/cgi-bin/usapage/index.cgi>.

In addition to the global labs managed by the Information Technology Center (ITC), many labs are provided by MSU academic departments and by Residence Life. Most of these labs, including ITC's, are supported by the Student Computer Fee.

Every registered student is entitled to a computer account. The account allows you to use the global labs, create an email account and even build a personal Web page. If you are a new student, were not registered last semester, or did not access your account during previous semesters, you will need to create a new account. You can obtain instructions for creating your account from the ITC Help Desk (Room 75 Renne Library Basement), the global student lab in Room 306 Reid Hall, or on the Web at <http://greywulff.gsl.montana.edu/usapage/GSL1.pdf>. You should have the PIN number assigned to you by the Registrar's Office at hand before beginning the account creation process.

## Off-campus Computer Access

For assistance or information about the availability of remote Internet access through a commercial dial-up or broadband subscription service call the ITC Help Desk at 994-1777

# Fee Payment Deadline

You can pay fees or confirm attendance through the mail (Box 172640), by phone (406-994-1991) or fax (406-994-1954) or e-mail ([studentaccounts@montana.edu](mailto:studentaccounts@montana.edu)) without having to stand in line. You can also confirm attendance on the Web under "My Info."

**New Procedure:** In July we will assess fees for all registered students and continue assessing daily. You must go online under "MY Info" to view your Web bill. Student Accounts will no longer be mailing copies of bills to students. It will be the student's responsibility to view their balance online and pay fees or confirm attendance by the deadline date.

It will be necessary to have your bill CONFIRMED by Aug. 11, 2006 for Fall Semester, **even if your balance is zero**. This can be accomplished in several ways:

1. **If all costs are paid by you**, send your check and/or money order back in the mail with a copy of your Web bill. **DO NOT SEND CASH IN THE MAIL!** Your payment **MUST** be **RECEIVED** by Aug. 11, 2006.
2. **If all costs are paid by you** and you wish to pay by credit card (Visa, Master Card or Discover), return a copy of your Web bill with your credit card information (the credit card number, the expiration date and your daytime phone number) or fax the Student Accounts Office at 406-994-1954 no later than Aug. 11, 2006.
3. **If part or all of your costs are paid from other sources** (ie. financial aid, athletics, vocational rehabilitation) and there is a remaining balance, you **MUST** pay that balance in one of the two ways listed above by Aug. 11, 2006.
4. **If all your costs are paid from other sources** (ie. financial aid, athletics, vocational rehabilitation) and you owe nothing (zero), you **MUST** still **CONFIRM** your attendance on the Web under "MY Info" by the deadline of Aug. 11, 2006.

5. If you are NOT planning to return and have not paid fees for Fall Semester 2006, please call the Registrar's Office at 406-994-6650 to drop all your classes.
6. **Deferred Installment Payment Plan:** This plan permits qualified applicants to pay a minimum of one-third of the applicable University charges at the beginning of the semester with the balance being deferred until later in the semester. A non-refundable processing fee is assessed for each approved application. Deferred fee payment installment loan applications or additional information may be obtained from the Student Accounts Office in person or on the Student Accounts Office Web site.
