I. Call to Order

The meeting was called to order by Chair Terry Leist.

II. Approval of Minutes

The minutes from the April meeting were approved.

III. Information/Announcements/Updates

- FY14 Budgets

Kathy Attebury presented the general operating base budgets for FY14. She also covered the expenditures at a high level.

Enrollment – Chris Fastnow explained that the Freshman 15 program is resulting in students taking heavier credit loads.

Because our enrollment increased, the three year rebasing plan has changed and MSU was not required to make the third installment of $3M.

Reserve balances – Terry reported that we won’t need to utilize any of these dollars this year except for the scholarships. Because the University System will implement performance funding in FY15, we need to hold some funds in reserve in the event that we aren’t able to meet our performance goals. If this occurs, we would need to cut budgets.
