Academic Planning is ESSENTIAL for timely graduation:

Plan for strictly enforced pre-requisites

- You can see pre-requisites in DegreeWorks or in the online course catalog
- The computer WILL NOT let you register for a course for which you don't have the pre-requisite

Complete your junior courses (300-level) before your senior courses (400-level)

Watch out for:

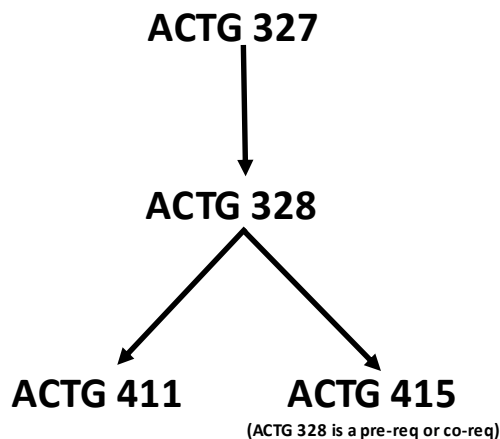

- Courses offered in only the *fall or spring semesters*
- More restricted day/time options
- Single section offerings
- *Use MyInfo or DegreeWorks to check for semesters of offering & section numbers

Non-business/non-economics electives:

- 45% of 120 (54 credits) required
- Use DegreeWorks to track your progress
- Don't leave them until your senior year!
