

Department of Education Seminar

Have you heard of the Great Silk Road or the legendary Ahalteke horses or Ancient Merv? Have you seen the gorgeous, high quality carpets that have emerged from the heart of Turkmen women? Can you locate Turkmenistan on a map?

Come join Gulya Agayeva, JEEM 2010 Scholar from Ashgabat, Turkmenistan, in an informational session where she'll answer these questions and much more. An EFL teacher, Gulya will talk about schools and education for all ages. Also, she's worked with the Union of Entrepreneurs where she has taught business and conversational English to young people and other community members.
