

**College of Engineering
Montana State University – Bozeman
EMPower Scholarship Application**

By completing this application, you will be considered for all minority-based scholarships available to incoming and continuing students for either semester. **New incoming students MUST also submit the Fall 2006 Freshman or Transfer Scholarship Application (available at <http://www.montana.edu/admissions/scholarships.shtml>). If you are a current EMPower Scholar you must reapply to continue your scholarship.** Completed applications must be postmarked by **February 3, 2006**.

- Attach the following documents to your EMPower application:**
1. A current resume **or** a list of activities, honors, or leadership positions in which you participated during high school or college including the number of years involved, positions held, and a description of your involvement.
 2. An academic transcript from high school and/or community college.
 3. One page written essay describing yourself, your notable achievements or special attributes, your professional goals, and aspirations in engineering and/or computer science.
 4. **Native American/Alaskan Native applicants** must submit documentation of tribal status by providing a copy of certificate of tribal enrollment or other documentation. Documentation from more than one tribe is acceptable if a student is of mixed blood descent.

The Engineering Minority Program

at Montana State University

The mission of the Engineering Minority Program (EMPower) is to assist in providing an outstanding engineering education to students from underrepresented groups and protected classes, primarily Native Americans and women. Goals for EMPower include the promotion of engineering career opportunities through pre-college outreach, individualized support for minority students, partnering and supporting complementary minority programs, faculty training to provide a culture of inclusion, and the development of effective student role models and mentors.

All applicants will be considered for all of the following scholarships in which they fulfill the outlined criteria.

Women in Engineering Scholarship

- Recipients shall be **women** students majoring in **any** field of Engineering or Computer Science.

David and Cecilia Lee EMPower Scholarship

- Recipients shall be **Native American** students majoring in **any** field of Engineering or Computer Science.

Dow Native American Engineering Scholarship

- Recipients shall be **Native American** students majoring in **Chemical or Mechanical Engineering**.
- Entering freshmen or transfer students at the freshmen or sophomore level with a 3.0 GPA.
- Priority will be given to Montana residents.

Florence Folger Buckland Engineering Scholarship

- Recipients shall be **women** students majoring in **any** field of Engineering or Computer Science.

Hoechst Celanese Minority Scholarship

- Recipients shall be **Native American** students majoring in **Chemical or Mechanical Engineering**.

Leslie M. Heathcote EMPower Scholarship

- Recipients shall be **minority** students in the College of Engineering majoring in **any** field of Engineering or Computer Science.
