Mathematica at
Montana State University Bozeman

How to Get Mathematica

IMPORTANT: Before proceeding uninstall any existing version of Mathematica!

Step 1   (new users only)

Before completing one of the request types below, create a Wolfram account:

1. Go to **user.wolfram.com** and click "Create Account" to set up a Wolfram User ID
2. Fill out form using a **montana.edu email and click** "Create Wolfram ID"
3. Check your email and click the link to validate your Wolfram ID

Step 2

Follow the directions below to download software from Wolfram and request the appropriate activation key type after creating and validating your Wolfram ID (step 1).

Type 1: Faculty/Staff On-Campus Computer (Work Use License)

1. **Fill out this form** to request an Activation Key
2. Click the "Product Summary page" link to access your license
3. Click "Get Downloads" and select "Download" next to your platform
4. Run the installer on your machine, and enter Activation Key at prompt

Type 2: Faculty/Staff Personally Owned Computer (Home Use License)

1. **Fill out this form** to request a home-use license from Wolfram.
2. Follow Wolfram's Instructions for obtaining the software.

Type 3: Student Personally Owned Computer (Student Use License)

1. **Fill out this form** to request an Activation Key
2. Click the "Product Summary page" link to access your license
3. Click "Get Downloads" and select "Download" next to your platform
4. Run the installer on your machine, and enter Activation Key at prompt

Type 4: Lab/Classroom Computers

Please contact **helpdesk@montana.edu** to acquire a license key for use on a group of lab or classroom computers. Include the building, room number, number of computers being deployed, and the name, email address, and phone number of the person maintaining the computers.
