

OCI Service Saturday Informed Consent

I am aware that participation in activities associated with the MSU-OCI Service Saturday program involves inherent risks, as I will potentially be travelling, working in or near metropolitan areas and/or working in an isolated outdoor setting. I understand that potential dangers include, but are not limited to:

- accidents during transportation
- effects of temperature extremes
- accidents due to negligence by participants
- theft and harassment
- accidents inherent in using large tools, such as axes, shovels, etc.

These dangers present the possibility of serious physical injury, mental trauma, death, and loss or damage of personal property. I fully realize the danger of participating in an activity of this nature and voluntarily assume all risks associated with such participation. I agree that it is my sole responsibility to be familiar with the physical and/or mental demands associated with the activity. With this in mind, I have no physical or mental condition, which, to my knowledge, would endanger myself or others, if I participate in the activity.

I agree to abide by established rules and regulations while participating in the activity.

I understand and agree that situations may arise during the activity(s) that may be beyond the control of the coordinators, leaders, or other participants. I understand the risks of this activity and assume full responsibility for any injury or illness that I might sustain while participating in this activity. I understand that MSU does not provide any insurance coverage and that my health and accident insurance coverage is primary for any injury or illness that I might sustain.

I agree, for my successors, and myself that the above representations and agreements are contractually binding and are not mere recitals.

I have read this document and fully understand its contents. I am aware this is an assumption of risk/informed consent agreement. This contract is entered into between myself, MSU-OCI Service Saturday program and for the benefit of others previously described. I am at least eighteen (18) years of age and fully competent. I fully intend to be bound by the terms of this agreement.
