III. Information/Announcements

IV. Topics for Discussion:

A. Ad Astra Presentation – Jo Packham/Bonnie Ashley
   This classroom scheduling software was initially purchased in 2006. The cost to implement would be $62,000 to $85,000. Need to solicit academic viewpoint. The consensus view of the Deans’ Council is the priority for purchasing should be on Degree Works; only subsequent to that would be Platinum Analytics and Scheduling Optimizer.

B. Writing Option – Linda Karell
   There are currently two options within the BA in English: Literature and Teaching. The proposed new option – Writing – would focus on writing for the workforce. The Deans’ Council supports this proposal.

C. Faculty Senate Review of FAR Position Description – Marvin Lansverk
   The edited job description and guidelines for selection were reviewed. Faculty Senate will collect applications and select a small pool to go to the President for hire. Applicants will be restricted to tenured faculty members or administrative faculty. The revised document was approved unanimously.
D. **Faculty Senate Leadership Compensation**
   Discussion tabled

E. **Division of Graduate Education Name Change – Carl Fox**
   Requested change from Division of Graduate Education to Graduate School. Rationale for request includes: 1. Competiveness, 2. Home for interdisciplinary programs, 3. Continuity (many other universities have graduate schools). Request for name change was unanimously supported.

Meeting adjourned at 2:30 pm
