

MSU STUDENT INTERNSHIP ANNOUNCEMENT

November, 2018

Matson's Laboratory
135 Wooden Shoe Lane
Manhattan MT 59741
<http://www.matsonslab.com/>

Matson's Lab is offering one term position to be filled by an MSU student with a strong interest in wildlife management and conservation. Applicants should enjoy following established laboratory protocol to produce quantities of accurate and high quality data to assist professional wildlife managers and be able to work in a relaxed but professional laboratory environment with other technicians.

A student currently enrolled in a biology program or another branch of the sciences is preferred. Prior histology experience is not required. The Lab will provide all required training necessary to complete the term position.

Recipient will be awarded a \$500 scholarship upon completion of the 50 hour program between December 13, 2018 and January 10, 2019.

Please send resume and letter of interest to carolyn@matsonslab.com. Interviews will begin December 4th.
