

Employment Opportunity

Pacific Rivers is looking for one additional snorkel diver for the newly created Frank Moore Steelhead Sanctuary in the North Umpqua Basin. The two-person dive team will conduct a whole-basin snorkel count during summer of 2019.

Salary: \$150.00/ day

Duration: July 1- August 31 (approximately)

Location: North Umpqua Basin

Job Description:

1. Conduct whole-basin snorkel surveys for salmonids in the Steamboat basin and adjacent tributaries in the North Umpqua Basin.
2. Willing to work under strenuous field conditions. Must be in excellent physical condition.
