**Assurance-Audit Intern- Ernst and Young LLP**
You will spend much of your time meeting with our clients directly at their offices, undertaking audit activities to identify and resolve complex issues. When you start with the organization, you can join our audit practice and choose from a variety of industries (Consumer Products, Life Sciences, Industrial Products, Real Estate, Automotive and Transportation, to name a few). You will be given opportunities to work across these industries, which will provide deep knowledge of key drivers for success and risks specific to the industry. And if you know you have a strong desire to work within our Financial Services Organization, which is tailored to banking, insurance, funds or other financial industry companies, you may elect that path as well. Whichever you choose, you’ll find no shortage of opportunities to take on new challenges and responsibilities while discovering and developing your strengths and ambitions.

To qualify for the role you must have
• Or be working toward, an undergraduate or graduate degree in Accounting
• A strong academic record, including, without limitation, course work that EY deems relevant to this position
• A demonstrable plan for passing the CPA exam
• Strong Microsoft Excel skills

To Apply:
To be considered for an interview at EY
• You must first apply using your school’s online recruiting system for only one of our positions
• You must apply through our online system at www.ey.com/us/apply. Select the job description for which you are applying: Campus Full Time, Intern or MBA Application
• You must complete our Recruiting Candidate Preferences Form (https://ey.recsolu.com/external/form/vts4KbaNo-h-EvRrP2lBTw).
