## Position

**Agricultural Loan Officer**  
Job ID on MyCatCareers: 3351

**Employer:**  
**Location:**  
**Description:**

**MetLife**  
**Billings, MT**

This position covers the territories of Billings, MT; Sheridan, WY; and Rapid City, SD. Currently looking for a candidate who can be based out of Billings, MT.

MetLife Investments is a premier insurance asset manager with breadth across various asset sectors and global markets, and strong asset-liability management capabilities. With a \$320 billion combined domestic and international general account portfolio and a multi-billion dollar annual cash flow, Investments is an important contributor to MetLife's financial performance. The primary objective of Investments is to maximize MetLife's long-term economic value by investing in assets that support the company's liabilities and produce a consistent stream of operating earnings.

MetLife Investments' Real Estate and Agricultural Investments Units manage a \$41 billion portfolio of commercial and agricultural loans, and real estate equity investments. In addition to sourcing and managing these investments, the group is responsible for developing and maintaining relationships with key industry contacts, including mortgage and leasing brokers, developers and property managers. The Mortgage Portfolio and Equity Portfolio Units actively manage MetLife's portfolio of mortgage loans and equity investments in office, apartment, retail, industrial, and hotel properties. The Portfolio Units are responsible for overall portfolio strategy, pricing, transaction approval and credit approval on new loans and the active management of the overall mortgage and equity portfolios.

We are proud of the important role that MetLife has played in the financing of agriculture for 90 years. The associates working in Agricultural Investments today are dedicated to continuing that tradition by providing flexible and competitive loan products backed by the resources of MetLife, a leading provider of insurance and other financial services. That's why we are one of North America's largest private lenders to agriculture.

We are seeking an experienced Agricultural Real Estate Loan Officer to originate loans and service existing loan portfolios for the Montana, Wyoming, and Western/Southern Dakota's territory. Will be responsible for over 140 loans and managing over \$350 million portfolio.
