

# 34<sup>th</sup> Annual Montana Science Olympiad Needs You!!

*Spend Tuesday, November 20<sup>th</sup>, volunteering to increase literacy in science & technology education in Montana! The Science Olympiad is an academic interscholastic competition that consists of a series of individual & team events. Students in grades 6-12 participate in challenging competitions in biology, earth science, chemistry, physics and technology. The Montana Science Olympiad takes place at Montana State University – Bozeman.*

## Become a Volunteer:

Volunteers are students or community members who either assist the captains in running & scoring the event,

guide the middle and high school students

around the MSU campus, or help the Montana Science Olympiad office. We hope for a minimum of 3 hours, but any help is appreciated.

## Choose to Participate?

- Earn 1000 Champ Change
- Receive a free lunch
- Receive a free t-shirt

Please register by November 8 directly at <http://tiny.cc/mtso19> or by searching “MTSO Volunteer” on the MSU website.
