Graduate Research Assistantship for Montana Teachers of English Language Learners (MontTELLs)

**Required qualifications:**
- Currently enrolled as either a Master’s, PhD or EdD student in good standing

**Preferred qualifications:**
- Experience as an ESL teacher
- SIOP certification or experience using sheltered instruction methods
- Experience working with American Indian students or communities.

**Duties and Responsibilities**
- Assist in compiling quarterly reports for the grant projects
- Provide summaries of research on ELLs, American Indian education and Indigenous language revitalization topics
- Participate in discussing potential lines of inquiry for dissemination of MontTELLs, I LEAD, IREX, and other grant projects
- Assist CBME Director in organizing events and mentoring undergraduate SINE students

**Expectations:**
- The GRA will work on average 19 hours per week from August 1 – December 31 and January 1 – May 31. Summer employment may be possible but is not guaranteed. The position requires on-campus availability in the CBME for the majority of the working hours.

**Compensation:**
- Department of Education Graduate Assistants earn $1230 per month for 10 pay periods and receive six credits of tuition waiver per semester.

**Supervisor:** Dr. Jioanna Carjuzaa, Professor of Multicultural Education and Executive Director of the Center for Bilingual and Multicultural Education

To apply, please email a letter of interest and current CV to carjuzaa@montana.edu. Applications will be reviewed upon receipt.
