Department Meeting Agenda
September 27th, 2016

Bill Ruff, Introduction

**How to Efficiently Disseminate Research**
Leila Sterman, Scholarly Communications Librarian
Leila.sterman@montana.edu

- Overview of Google Scholars, Academia EDU, and Orcid
- Publish in Open Access Journals
- The Library has a budget to help pay for open access of your publications
- MSU has a platform to put previously published articles
- Leila will find available copies of your published articles that can be distributed

Bill Ruff, Research Commons Discussion

Homework: What themes do you see running through the research in our department? How can we tell this story to our donors?
