Library Media K-12 Endorsement

ALL CLASSES MUST BE **COMPLETED** WITH A **"C" OR BETTER AND A 2.5 GPA.**

NAME: _____ GID: _____

The Library Media K-12 Endorsement is typically a post-baccalaureate program; however, it is now available to undergraduates who qualify to take graduate level classes. A GPA requirement of 3.25 and senior standing is required along with approval from the Library Media Program Director.

In addition to meeting the above requirements, undergraduate students will need to complete the *Petition to Reserve/Register for Credits* form found on the following website http://www.montana.edu/wwwdg/forms.shtml which will allow undergraduate students to register for graduate level courses.

The Library Media K-12 Endorsement provides students with a certifiable K-12 endorsement from the Montana Office of Public Instruction. This option provides students with learning experiences to develop competencies and skills to become the manager and teacher in a high-tech, information rich environment: the school library media center.

All Library Media K-12 Endorsement students should follow the elementary education K-8 curriculum with these exceptions:
