 ATTN: Educator Licensure

## TEACHING ENDORSEMENT INTERNSHIP PROGRAM APPLICATION

**Complete this form only if applying for accreditation exemption pursuant to ARM 10.55.707 (4).**

Educator Last Name	First Name	Middle Initial	Former Name(s)
Mailing Address: (Street, RFD, PO Box)	City	State	ZIP Code

To qualify for the Teaching Endorsement Internship Program, the teaching intern must hold a current Montana teaching license and be enrolled in Board of Public Education approved internship program offered by one of the accredited educator preparation institutions within the boundaries of the state of Montana.

Pursuant to ARM 10.55.707 (4), the undersigned school district requests that the undersigned teacher be considered appropriately assigned as described below for the following school years \_\_\_\_\_.

### RESPONSIBILITIES OF THE PARTIES

1. **Role of the Teaching Intern.** Pursuant to ARM 10.55.707 (4), the Individual must:
  - A. Have at least a Class 2 teaching license prior to entering the program;
  - B. Prior to placement, have completed or be enrolled in six semester credits of study in the endorsement area the teaching intern is pursuing. These credits must apply to the program and be approved by a university or college;
  - C. Complete the endorsement program within three (3) years of entry into the program;
  - D. Provide a copy of the endorsement program of study to the cooperating school district;
  - E. Enroll in a Board approved Internship Program for credit each year of the agreement; and
  - F. If required, remit a fee for supervision each year of the agreement to the Montana university or college.

I agree to comply with the duties and provisions of ARM 10.55.707 (4).

2. **Role of the Cooperating School District.** Pursuant to ARM 10.55.707 (4), the Cooperating School District must:
- A. Allow the teaching intern to attend summer sessions, internship seminars, and professional development activities as specified by the internship agreement;
  - B. Local school administrator shall provide on-site, ongoing supervision of the intern;
  - C. Agree to cooperate with the college or university in meeting the needs of the teaching intern;
  - D. Report annually as part of the OPI Annual Data Collection the status of the teaching endorsement intern; and
  - E. When appropriate and feasible, the cooperating school district may agree to contribute to the tuition and supervision fees of the intern.

I agree to comply with the duties and provisions pursuant to ARM 10.55.707 (4).

3. **Role of the Montana College or University.** Pursuant to ARM 10.55.707 (4), the Montana University must:
- A. Make provisions to provide the appropriate course work or the acceptable approved equivalent that leads to endorsement;
  - B. Provide periodic supervision and evaluation of the intern;
  - C. Supply list of teaching interns to the Montana OPI Licensure Division by the first Monday in October each year; and
  - D. Notify the Montana OPI Licensure Division of any change in status of the intern.

I agree to comply with the duties and provisions of ARM 10.55.707 (4).
