*Behavioral Expectations*

*Montana State University expects all students to conduct themselves as honest, responsible and law-abiding members of the academic community and to respect the rights of other students, members of the faculty and staff and the public to use, enjoy and participate in the University programs and facilities. For additional information reference see [http://www2.montana.edu/policy/student\\_conduct/student\\_conduct-code\\_2006-2007.htm](http://www2.montana.edu/policy/student_conduct/student_conduct-code_2006-2007.htm).*

*Collaboration*

*University policy states that, unless otherwise specified, students may not collaborate on graded material. Any exceptions to this policy will be stated explicitly for individual assignments. If you have any questions about the limits of collaboration, you are expected to ask for clarification.*

*Plagiarism*

*Paraphrasing or quoting another's work without citing the source is a form of academic misconduct. Even inadvertent or unintentional misuse or appropriation of another's work (such as relying heavily on source material that is not expressly acknowledged) is considered plagiarism. If you have any questions about using and citing sources, you are expected to ask for clarification.*

*Academic Misconduct*

*Section 420 of the Student Conduct Code describes academic misconduct as including but not limited to plagiarism, cheating, multiple submissions, or facilitating others' misconduct. Possible sanctions for academic misconduct range from an oral reprimand to expulsion from the university.*

*Section 430 of the Student Code allows the instructor to impose the following sanctions for academic misconduct: oral reprimand; written reprimand; an assignment to repeat the work or an alternate assignment; a lower or failing grade on the particular assignment or test; or a lower grade or failing grade in the course. More serious sanctions require a Conduct Board hearing. You may wish to make explicit the minimum sanction you will impose for willful acts of academic misconduct.*

*Academic Expectations*

*Section 310.00 in the MSU Conduct Guidelines states that students must:*

- A. be prompt and regular in attending classes;*
- B. be well prepared for classes;*
- C. submit required assignments in a timely manner;*
- D. take exams when scheduled;*
- E. act in a respectful manner toward other students and the instructor and in a way that does not detract from the learning experience; and*

*In addition to the above items, students are expected to meet any additional course and behavioral standards as defined by the instructor.*
