

Science Olympiad Fall 2018 Parking and Traffic Flow

Buses and Passenger Vans:

We ask Science Olympiad buses to always approach campus from the east on Kagy Boulevard. Parking Services personnel will be stationed at Grant Street and South 7th Avenue and in the SUB Oval to assist with unloading and parking on Tuesday, November 20, 2018.

Arrival:

Do not approach campus on Grant Street from the west.

- Approach campus from Kagy Boulevard and South 7th Avenue to unload in the SUB oval or on Grant Street as directed by Parking Services personnel
- See map labeled "Science Olympiad Bus Traffic Plan"

Parking:

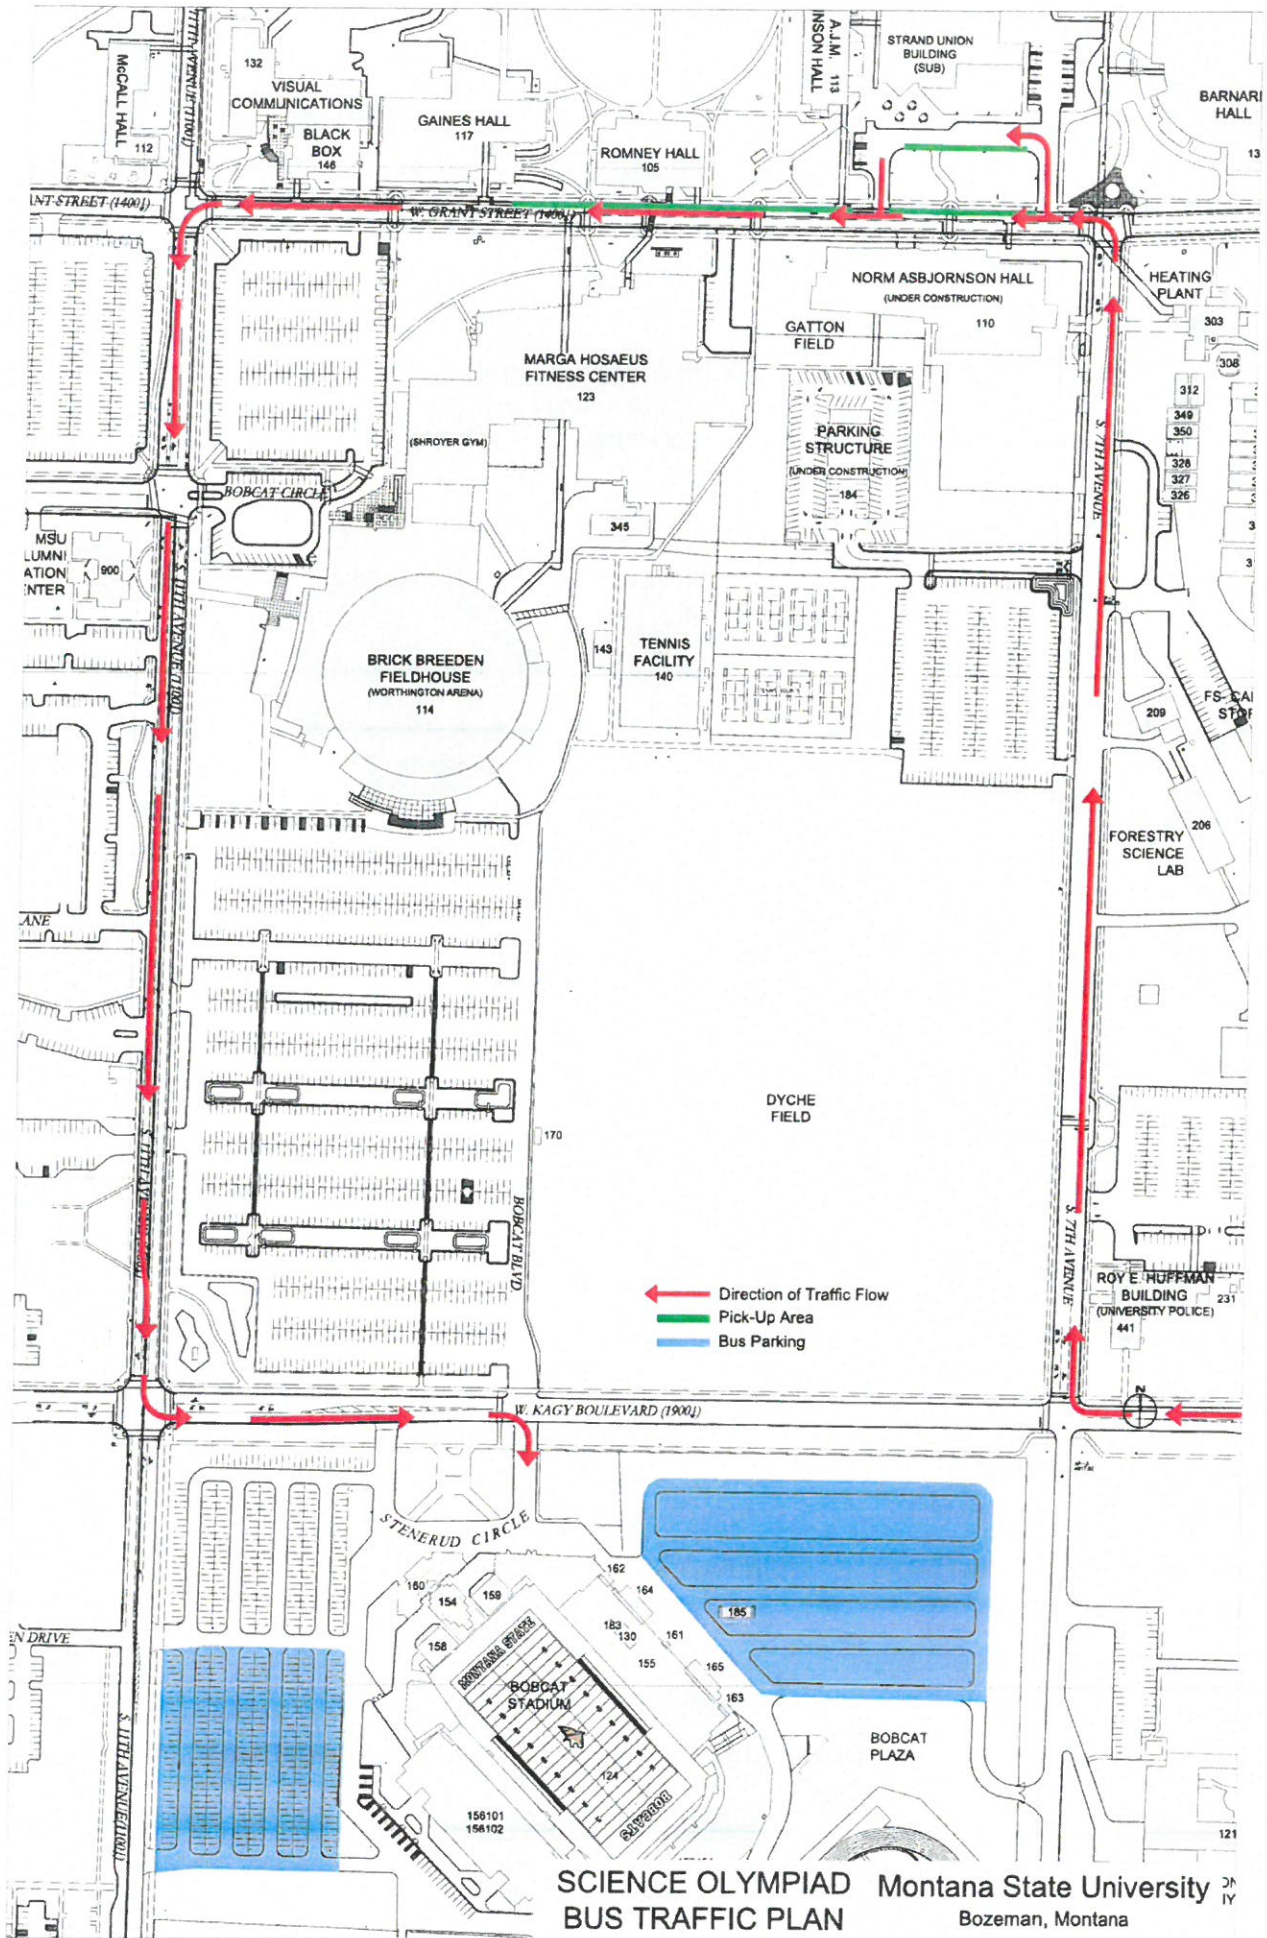

- After unloading, depart westbound on Grant Street, south on 11th Avenue, east on Kagy Boulevard
- Park on either side of the stadium for the day (see attached map)
- Alternatively, buses can return to hotels via Kagy Boulevard or Lincoln Street

Passenger Vehicles:

It is unlikely that parking close to the venue will be available outside the Garage pay lot. There is no free visitor parking at MSU. Vehicles without permits will be ticketed.

- Passenger vehicles may park in the hourly lot in the Parking Garage, just south of the corner of Grant Street and South 7th Avenue.
 - The cost is \$10/day.
 - Visitors will need their license number at the pay kiosk.
 - Visitors who purchase the all-day option may leave and return to park.
- Passenger vehicles may purchase a daily parking permit from University Police located on the corner of Kagy and South 7th Avenue.
 - The cost is \$5/day.
 - A daily parking permit is valid for any E, F or SB parking on campus, **but is not valid for gold signed reserved spaces or the Garage.**

The parking map for MSU may be accessed here: <http://www.montana.edu/parking/map.pdf>
