

Shakespeare's England

Stratford-upon-Avon and London, England

Walk in the steps of William Shakespeare—from his birthplace and his boyhood haunts to the theatres on the south bank of the Thames in London where he made his career. In addition to site visits in Stratford, Oxford, and London, we will be seeing several plays by Shakespeare and other playwrights, coming to a greater appreciation of both the historical Bard and the one who is very much alive through theatre today.

When: March 6—16, 2014

Who: Undergraduate & graduate

Max Enrollment: Class limit of 20

Prerequisites: 2.5 GPA and interview
