Copyright

• Copyright is automatically assigned to you
• You do not need to register copyright
• If you are working on the manuscript option or try to publish it gets more complicated (we can help)

Dissertation and Thesis Author Services

UMI Dissertation Publishing provides the only comprehensive service in the world for publishing, archiving and disseminating graduate research.

Over the past 70 years, we have published more than 2 million dissertations and theses. Most graduate schools in the United States require their students to publish with UMI. Why? Doctoral dissertations and master's theses are primary literature. They are valuable contributions to the discourse in every field of inquiry.
