Better Science Through Storytelling

Wednesday, April 6, SUB 235.  11:45 a.m. – 1:00 p.m. Lunch (soup and crackers) served at 11:45 a.m.  Session begins at 12:00 noon.

REGISTER HERE

Presenter: Robert Peterson, Land Resources and Environmental Sciences

This session will include an overview of storytelling in science from the perspective of a scientist. Following the overview, attendees will engage in a brief exercise using the “And, But, Therefore (ABT)” storytelling sentence structure. After concluding remarks, the presenter and attendees will engage in a Q&A session to share ideas.
