Lunch w/Campus 2016 Award Winners
Wednesday, February 24, SUB 235.  11:45 a.m. – 1:00 p.m.
Lunch served at 11:45 a.m.  Session begins at 12:00 noon.
RSVP:  https://www.surveymonkey.com/r/PMM9PNN by Monday, February 22 at 12:00 noon

Ever wondered what you might learn from campus award winners to help you in your teaching and/or research? Please join us for this mini-mentoring discussion when we will roll up our sleeves and talk about real life strategies that these individuals have used to become successful. We will take a broad approach on these. You will be able to choose at least three lunch mentors to have a more in-depth conversation with and hear a brief overview of advice from all twelve.

Presenters:  Sarah Allen, Honors; Kevin Amende, Mechanical & Industrial Engineering; Shannon Arnold, Agricultural Education; Brian Bothner, Chemistry & Biochemistry; Anne Camper, Civil Engineering; Robert Carson, Education; Doug Downs, English; Daniel Miller, Mechanical & Industrial Engineering; Robert Peterson, Land Resources & Environmental Sciences; Terry Profota, Jake Jabs College of Business and Entrepreneurship; Patricia Simpson, Modern Languages and Literatures; Robert Walker, Chemistry & Biochemistry.

Facilitators: Marilyn Lockhart, Director of CFE and Brock LaMeres, Electrical and Computer Engineering.
