

An Overview of Teaching and Learning Technology Resources at MSU

Thursday, Sept. 25, 11:45-1:00 p.m., SUB 233

Presenters: **Chris Bahn**, Chemistry & Biochemistry; **Amanda Buckley**, Extended University; **Gary Parker**, Information Technology Center; and **Greg Notess**, Library.

Join us for a presentation about what teaching and learning technologies are available to faculty and students at MSU, where they can locate them, and where to get support for using them. This discussion will cover all the most frequently used tools at MSU such as D2L (Desire to Learn—the platform for distance courses), lecture capture, iClickers, classroom technologies, Library resources, Help Desk support, NetIDs, and more.

Lunch will be served at 11:45 a.m. with the session starting at 12:00 noon.

Registration is required by 12:00 noon, Wednesday, Sept. 24; to register, go to <https://www.surveymonkey.com/s/3JOLCQP>.
