I have made a preliminary plan of study and understand that I am responsible for this plan. All substituted courses need pre-approval by an advisor *prior to registration*. Any "force complete" courses must include a written explanation by the advisor/department stating how the equivalency of credits was accomplished. I understand that I need to complete a minimum of six credits per year with a grade of "C" or better in all courses and have a 2.75 GPA > in the content area.
