

ORV Trails Within Hyalite Trail Systems

Trails		<p>The difficulty was based on fall weather conditions, so trail difficulty are different depending on weather. 2WD vehicles should only stay on easy trails, and only vehicles with good clearance should go on hard trails. Remember to use caution in all areas of Hyalite and off-road with a partner.</p>
— Major Road	Hiking trail	
Difficulty		
— easy	lookout	
— moderate	shooting	camping
— hard	mud pit	
— closed/non-existent
