

A Graduate Student Workshop:

Electronic Thesis/Dissertations (ETDs)

ETDs on ScholarWorks, copyright, archiving, data options, formatting, and more.

Thursday, October 02
SUB 235
2-3 p.m.

Join a discussion with the MSU Library and The Graduate School to learn about how your research is archived at the Library and other library data services.

The agenda will include:

- Overview of ScholarWorks
- Data storage options at the MSU Library
- Creative Commons and copyright
- Dissertation Repositories, ProQuest/UMI
- Citation Management software
- Q & A

Hosted by:

Leila Sterman, Scholarly Communications Librarian

Sara Mannheimer, Data Management Librarian

Laura Collins, The Graduate School
