MECHANISM FOR DISTRIBUTION OF THE AWARD

• Nominating faculty can submit nominations from November 20, 2015 up to the end of March 2016 for Fall 2016 admission. The award is for new graduate students.
• Students do not have to formally apply to The Graduate School to be nominated for the award. However, if an award is made, the student must complete the application process, be fully admitted to MSU, and attend MSU Bozeman.
• In the event that the student has declined admission or has deferred admission to the spring term, the funding will return to the general pool. The Graduate School then may offer the award to an alternate nominee, who may or may not be an applicant in the same department.
• A payment of $500 will be dispersed to the student’s account in fall 2016 and in spring 2017 for a total of $1,000. These funds typically are available after the first week of classes.
