Play an active role in matters pertaining to graduate education at Montana State University. Become a student representative of the University Graduate Council!

UGC serves to advise the Dean of The Graduate School on matters pertaining to academic issues.

Its key activities are to make recommendations to the Dean about graduate programs and curricula and to promote all aspects of graduate education and graduate student success.

UGC by-laws call for one full-time graduate student in good standing to represent the general graduate student body. The student is expected to attend all bi-monthly meetings for one-year (2 terms) beginning in Fall 2016. The outcome is that the student informs all graduate students about the discussions and provide a voice for the students to UGC.

Please explore the [UGC section of the Graduate School website](#) to find out more. If you have questions or would like to submit an application to become a student representative, please contact the Office of Degree Programs & Certificates at degreesandcertificates@montana.edu, 994-4145.

You can download an application [here](#). Due August 15, 2016.
