2. The following scale should be used to determine your entry level of preparedness in the following knowledge areas as compared to other interns in your program. Please select the appropriate rating: "Well Prepared" indicates exceeded expectations in this area. "Prepared" indicates consistently met expectations for preparedness. "Unprepared" means preparedness in this area sometimes, but not always met expectations, improvement required to meet expectations. "Very Unprepared" means preparedness in this area not acceptable, improvement activities needed immediately.

	Well Prepared	Prepared	Unprepared	Very Unprepared	N/A
Community Nutrition	<input type="checkbox"/> Community Nutrition Well Prepared	<input type="checkbox"/> Community Nutrition Prepared	<input type="checkbox"/> Community Nutrition Unprepared	<input type="checkbox"/> Community Nutrition Very Unprepared	<input type="checkbox"/> Community Nutrition N/A
Medical Nutrition Therapy	<input type="checkbox"/> Medical Nutrition Therapy Well Prepared	<input type="checkbox"/> Medical Nutrition Therapy Prepared	<input type="checkbox"/> Medical Nutrition Therapy Unprepared	<input type="checkbox"/> Medical Nutrition Therapy Very Unprepared	<input type="checkbox"/> Medical Nutrition Therapy N/A

5. Please rate the overall quality of the MSU Dietetic Program and how well prepared you felt for an internship.

	Excellent	Good	Adequate	Fair
MSU Dietetic Program	<input type="checkbox"/> *MSU Dietetic Program Excellent	<input type="checkbox"/> MSU Dietetic Program Good	<input type="checkbox"/> MSU Dietetic Program Adequate	<input type="checkbox"/> MSU Dietetic Program Fair

6. Please indicate the strengths and the areas for improvement in the MSU Dietetic Program. (Please consider Faculty, curriculum, courses, advising, facilities, dietetic community support, etc.)

7. Please list the major projects completed during your internship.

Clinical	<input type="text"/>
Community	<input type="text"/>
Food Service Management	<input type="text"/>
Other	<input type="text"/>

8. While at MSU, many of the nutrition classes contained information and projects related to a sustainable foods system and its relationship to health. How well prepared do you feel now in applying this information to your future professional role as an RD?

	Well Prepared	Prepared	Unprepared	Very Unprepared	N/A
Sustainable food systems	<input type="checkbox"/> * Sustainable food systems Well Prepared	<input type="checkbox"/> Sustainable food systems Prepared	<input type="checkbox"/> Sustainable food systems Unprepared	<input type="checkbox"/> Sustainable food systems Very Unprepared	<input type="checkbox"/> Sustainable food systems N/A

Other (please specify)

9. What are your future plans in the next 3-6 months?
