CREDITS

TASK

Your task is to explore career websites. You will find links to various websites about careers. After you have explored, take the information you have learned and prepare a presentation for the class. You will choose one career that interests you, describe it and inform your classmates why it interests you. This 10 minute presentation will be in the form of power point, a poster, or some other visual aid. Have fun!!!!

PROCESS

Begin your exploration by visiting the following websites;1. <http://www.bls.gov> On this page go to occupations on the left side and click on Occupational Outlook. In the search box on the right, type in "BLS kids' page." Click on teachers guide, located on the left side and scroll down and click on "BLS kids' page." There are lots of careers for you to explore here.

2. <http://mt.gov/statejobs/statejobs.asp> This page contains information about jobs in Montana, salaries, and benefits.

3. <http://www.careerjournal.com/>

4. <http://jobstar.org/tools/career/index.php>

5. <http://www.salary.com/>

6. <http://www.acinet.org/acinet/>

After exploring, choose a career to show to the class and develop your presentation.

Hopefully, this challenge has given you some great ideas about careers and hospitality and tourism. Choosing a career is not easy and it cannot be done overnight. The more information you have, the easier your task will be. If by completing this assignment you have gained only one piece of helpful information, then this challenge has been a success.

For more information on careers check out these websites: www.dol.gov . This website is the U.S. Department of Labor, and has a link to a site just for students. Another cool one is www.ipl.org.teen, go to the Careers and College link for some really helpful "stuff"
