Montana State University is a mid-sized university offering all the advantages of a much larger institution with the friendly community of a smaller campus. MSU is predominantly undergraduate in terms of its student population. This combination means that undergraduates have access to high-level research projects, usually reserved for graduate students at many other institutions.

MSU is in the top 2% of national universities with “Very High Research Activity”, the highest level as designated by Carnegie Foundation. MSU is predominantly undergraduate in terms of its student population. This combination means that undergraduates have access to high-level research projects, usually reserved for graduate students at many other institutions.

1. Fees are determined by the Montana Board of Regents and are subject to change. The actual cost of attendance varies depending on the needs of the individual students.
2. These figures do not include health insurance coverage. Costs vary between $600-3,000/year depending on health insurance plan.
3. Food and housing costs will vary depending on student’s living arrangements and lifestyle.

**Preferred Application Deadlines**

- **Fall Semester**: May 15
- **Spring Semester**: October 15
- **Summer Session**: February 1

Applications received after these dates will be accepted on a case-by-case basis. Applying at least six months before these dates is strongly encouraged. Graduate students should start the application process a year prior to their intended start date.

**MSU partners with A.C.E language Institute to provide intensive English classes on campus and offers conditional admission to undergraduate students who are academically qualified but do not meet the English language requirement yet: [www.montana.edu/international/admissions/language_instruction.htm](http://www.montana.edu/international/admissions/language_instruction.htm)**

**Safe, Welcoming City**

Bozeman has been named a “dreamtown” by Bizjournal.com, and is often praised in national media for offering high quality of life, intellectual and cultural activity, and strong economy. Bozeman offers all the amenities of a bigger city, including many chain stores, lots of interesting local shops, fun restaurants, coffee houses, and exciting music venues within walking distance of campus.
