## GENERAL INSTRUCTIONS

- **Please refer to pages 2–5 in the application booklet for detailed application instructions or see [www.montana.edu/international/admissions/appinstructions.htm](http://www.montana.edu/international/admissions/appinstructions.htm).**
- **Print clearly or type.** Be sure to complete all questions and note that several statements in the application require signatures.

- It is acceptable to return the completed application form, the financial statement and supporting financial documents via email to [globalstudy@montana.edu](mailto:globalstudy@montana.edu). However, academic documents and exam scores must be official and original, and therefore must be sent by mail.
- All required educational documents (transcripts, mark sheets, exam results, certificates diplomas, etc.) must be original or certified true copies. They must be stamped and signed by a school official and sent to MSU directly by the issuing school or sealed closed in a school envelope to be mailed by the applicant. Photocopies are acceptable for admission purposes only. Originals must be provided at enrollment.

## SCHOLARSHIPS

- See [www.montana.edu/international/admissions/scholarships.htm](http://www.montana.edu/international/admissions/scholarships.htm) and [www.montana.edu/wwwfa/scholarships.html](http://www.montana.edu/wwwfa/scholarships.html) for details.
- All international undergraduate applications are automatically reviewed for Office of International Programs scholarships.
- SAT score-based scholarships are automatically awarded to many freshmen entering MSU.
- Superior students who will be first year (freshmen) at MSU may apply for the Presidential Scholarship. This is an extremely competitive scholarship; applications are due in November for the next Fall semester. See [www.montana.edu/honors](http://www.montana.edu/honors) for information and required forms.

## WHEN TO APPLY

- Applications can be started up to one year in advance of the beginning of the desired term of entry (for example in September 2016 for entrance in September 2017). Applying at least six months early is strongly encouraged to allow sufficient time for processing the application and the exchange of documents, obtaining a student visa and arranging travel. Applications that are submitted without sufficient time for processing will be considered for the next term.
- Scholarship applicants should apply early.
- On-campus housing is guaranteed for all undergraduate students, but early applicants are most likely to be assigned to their preferred residence hall.
