

Minutes

IL Core Group Meeting, 1/24/2012

- 1) Good feedback from President's Monday Morning Memo highlighting Internationalization (approximately 50 messages received)
- 2) Committee updates:
 - a. Bob Rydell (History), Troy Duker (ASMSU Senator), Ada Giusti (Modern Languages) and Paul LaChappelle () added to Goals & Learning Outcomes Task Force
 - b. Name change for "survey" committee to Activity & Budget Review Task Force
 - c. Marty Frick will chair the Action Plan Task Force (members needed)
 - d. Jim Rimpau was suggested as chair for the Implementation Task Force, in part, because of his role with the Strategic Planning Committee; Norm or Robert will contact him to ask (members needed)
 - e. General discussion about getting committee membership set by next meeting of this group and about getting students involved on committees
- 3) Feb. 7th Open Space Session (3:00-5:30pm, NW Lounge, SUB)
 - a. Goals & Learning Outcomes Committee asks for everyone's assistance in getting participants to this session
 - b. Purpose of session is to start a dialog on internationalization and learner outcomes (What should international learning look like on campus? (Later: How should this be achieved?))
 - c. General discussion on including the land grant mission in our project, so that extension, outreach, research are also involved. Goal is to develop a comprehensive strategy of what we want to do internationally as a campus and, to the extent possible, across the state.
- 4) Charge from Provost discussed for best approach to collection and reporting data
- 5) Activity & Budget Review Task Force Update by Jo Packham
 - a. Centralized data is available through OSP, Safety & Risk Management, HR, Business Office, Provost's catalog of classes, faculty activity database, Diversity CORE Coordinator
 - b. Need to identify means of gathering data on internationally-focused research
 - c. Added through committee discussion: Internationally-focused student clubs, sabbaticals, Fulbright records
