Once the account is created you will be able to highlight the name or phone number on the message, and a media control will be available for basic audio controls.

IMPORTANT

1. Deleting Messages: In order to remove messages from the voicemail system entirely **you MUST empty your deleted items folder**. (Right-click on the Deleted Items folder and select Empty Folder.)
2. Moving Messages Out of Inbox: Only voice messages in your Inbox are available over the phone. Once a message is moved to another folder it is no longer available (retrievable) over the phone.
