- IV. Discussions
 - A. Action Item Follow Up
 - B. Portfolio Review
 - C. Campus Prioritization
 - On April 2 the Enterprise IT Council decided that each campus should prioritize the projects that compete for ERP resources (Banner ASG team) to be compiled into a single enterprise prioritized list. The attached worksheet was sent to each enterprise council member for use on their campus, to be returned by April 25. Provost Potvin will explain in greater detail at the IT Council meeting.
 - D. Update on IT Service Catalog Funding Model
