LATIN AMERICAN AND LATINO STUDIES MINOR

Why to declare: Whatever your major, an LALS minor shows that you have dedicated a strong portion of your university education to understanding Latin America and the experience of Latino populations within the United States. Besides enriching you personally and intellectually, many employers value a focus on this area—Latin America is a major outlet for U.S. businesses and it is the source of most immigration to the United States.

How to declare: Visit the coordinator to declare the minor. Applications to graduate with the minor are available through the MSU registrar’s website and will be submitted to the coordinator one year before graduation (if you are graduating in spring 2013, apply toward the end of spring 2012).

Required Courses: Fourth-semester or equivalent proficiency in Spanish is required, as is introductory-level Latin American history or equivalent.

- | | |
|---|-------|
| ___ SPNS 101: Elementary Spanish I (4 cr.) | _____ |
| ___ SPNS 102D: Elementary Spanish II (4 cr.) | _____ |
