Welcome to our 38th MACRS Conference
“Bridging the Future”

It is an honor and a privilege to serve as this year’s MACRS President. The Board Members and LTAP have gathered and reviewed your suggestions for this year’s conference. These dedicated individuals have put together a great variety of training topics from Bridge Replacement Strategies, Road Standards and Asphalt Maintenance to updates on the new Gas Tax Funding and FEMA Public Assistance Program.

As you attend the sessions reach out to our new attendees and welcome them to our Organization. This is perfect opportunity to network with all 56 counties and discuss the challenges and topics we all deal with on a daily basis. So ask questions; share your knowledge and experiences with other county supervisors, operators and enjoy the conference.

Be sure to thank our Vendors for their continued support, they play a major role in making this conference happen. Take the time to learn about their products, equipment and services they provide.

I would like to extend my appreciation to Montana LTAP staff for their continued support and assistance in making the MACRS Conference one of the best conferences in Montana. Thanks to Best Western Heritage Inn for providing an excellent facility for this conference and all they do to make it a success.

I hope everyone enjoys this conference,
MACRS President Doug Nisbet
Lewis & Clark County
Road & Bridge Superintendent

MACRS 2018 Officers and Representatives
