

Montana Traffic Incident Management Training

Classroom Training: Contact Sgt. Betz to schedule the 4-hour classroom training.

Sgt. Alex Betz, TIM Training Program Coordinator/Chief Instructor
Detachment 322 Commander, MT Highway Patrol
Helena MT, 59601
(406)475-0712
abetz@mt.gov

BASIC TRAINING

This 4-hour course is available to all disciplines of emergency responders and covers building teams who can work together in a coordinated manner, from the moment the first emergency call is made. You will learn the correct deployment of response vehicles and equipment, how to create a safe work area using traffic control devices, and techniques to speed up accident clearance with an emphasis on reducing the number of struck-by and deaths of roadway workers and responders, reducing secondary crashes, reducing on-scene times of responders of roadway.

Upcoming **FREE** trainings (see flyers below for more information):

- March 19 / 8:30 am – Noon / 4810 Midland Road, Billings, MT
- April 22, 23, 24 / 2300 9th Ave N, Billings, MT (Billings FD at North entrance) /
Two offerings per day: 8:30 am – Noon and 1 pm – 4:30 pm

To register for a training contact Jerry Prete at Gerald.prete@montana.edu or 406-461-2274

****POST credit for law enforcement** **Continuing Education available****

TRAIN-THE-TRAINER

This 12-hour intensive course includes interactive training with case studies, tabletop role-playing scenarios, and field practicum. Train-the-Trainer builds a team of trainers within agencies, regions and throughout the state. They, in turn, train their colleagues using this innovative curriculum for correct deployment of response vehicles and equipment, how to create a safe work area using traffic control devices, and techniques to speed up accident clearance with an emphasis on reducing the number of struck-by and deaths of roadway workers and responders, reducing secondary crashes, reducing on-scene times of responders of roadway incidents.

Want to be a Montana TIM Trainer? A T-t-T session will be hosted in Douglas, WY April 24-25

NATIONAL TRAFFIC INCIDENT MANAGEMENT (TIM) RESPONDER TRAINING PROGRAM

Train-the-Trainer Course Announcement

The National TIM Responder Training Program was developed by responders for responders, and was designed to promote consistent training of all responders to achieve the three objectives of the TIM National Unified Goal (NUG):

- Responder Safety
- Safe, Quick Clearance
- Prompt, Reliable, Interoperable Communications

The Train-the-Trainer (TtT) course is intended to provide participants (i.e., trainers) the knowledge and materials necessary for them to conduct TIM training for responders in their area or state. The TtT is a 1-day course that covers 8 hours of material, including classroom training and hands-on activities.

Participant expectations:

- **Prior instructional and TIM experience**
- **Commitment to providing training to other TIM responders in your area**
- **Commitment to submitting your training records via the SharePoint site**

The target audience for this course is all TIM disciplines, including: Communications, Emergency Management, Emergency Medical Services (EMS), Fire/Rescue, Law Enforcement, Towing and Recovery, and Transportation/Public Works.

Details for the upcoming TIM TtT course in Douglas, WY are as follow:

Day 1: Wednesday, April 24, 2019 • 8:00 am – 5:00 pm

Day 2: Thursday, April 25, 2019 • 8:00 am – 12:00 pm

Location: Converse County Joint Justice Center

Address: 1201 Mesa Drive, Douglas, WY 82633

Registration:

<https://fhwatimtraining.wufoo.com/forms/national-tim-ttt-registration-douglas-wy/>

This training is being provided **free of charge**, however, agencies are responsible for all travel related expenses including lodging and meals.

If you have any questions regarding local TIM initiatives or your participation in this training, please contact Lieutenant Erik Jorgensen, Wyoming Highway Patrol, at erik.jorgensen@wyo.gov or (307) 674-2390.

This training has been endorsed by the following national associations: American Association of State Highway and Transportation Officials (**AASHTO**), American Public Works Association (**APWA**), Cumberland Valley Volunteer Firemen's Association (**CVVFA**), Division of State Associations of Chiefs of Police (**SACOP**), Institute of Transportation Engineers (**ITE**), Intelligent Transportation Society (**ITS**) of America, International Association of Chiefs of Police (**IACP**), International Association of Directors of Law Enforcement Standards and Training (**IADLEST**), International Association of Fire Chiefs (**IAFC**), International Association of Fire Fighters (**IAFF**), International Municipal Signal Association (**IMSMA**), National Association of State EMS Officials (**NASEMSO**), National EMS Management Association (**NEMSMA**), National Sheriffs' Association (**NSA**), National Volunteer Fire Council (**NVFC**), Towing and Recovery Association of America (**TRAA**), and Transportation Research Board (**TRB**).
