Workshop Objective: To learn work zone and flagging procedures to become a certified flagger.

Workshop Description: This flagger workshop is a combination of lecture, manuals, video and hands-on problem solving with regards to flagging in a work zone. The five parts of a Traffic Control Work Zone will be discussed. Montana flagger certification will be issued to all participants who successfully pass the course.

Who Should Attend: Those wanting to become a certified flagger. Road department employees from cities, counties, MDT, Forest Service, Park Service, BIA and Tribal employees will all benefit from attending this workshop.

Instructor: Shawna Page has been a Certified Safety Officer and professional safety instructor for over fifteen years, while also working in the construction field for 20 years. Shawna's experience ranges from building construction to Work Zone traffic control. Shawna is Montana LTAP's primary instructor on many courses that LTAP offers. Shawna regularly teaches MSHA courses including Part 46 refreshers, OSHA 10 & 30 courses, Asbestos Safety, Cold Weather Safety, flagging, Work Zone Technician, Traffic Control Supervisor, and other safety courses.
