28th Annual
Equipment Training & Snow Rodeo
September 6 & 7, 2017
Gallatin County Fairgrounds
Bozeman, MT

TRAINING & EQUIPMENT
Morning classroom training on the first day will include Leadership and Public Communications and Relations Techniques. These two topics will count for the Leadership requirement in the Roads Scholar program. The afternoon training session will include Tier 4 Emissions and Load Securement Safety. The afternoon session will count for the equipment requirement in the Roads Scholar program.

The Snow Rodeo competition will begin on the second day, September 7. These competitors will test their skills at obstacle courses with a snowplow, front-end loader, motor grader, backhoe, and conduct a walk-around inspection. There will also be a written safety exam. For previous All-Around Snow Rodeo Champions they will be competing in the Champion of Champions competition.

WHO SHOULD ATTEND
The classroom workshop combined with field work and equipment safety training is designed to provide experience and test the skills of those involved in performing snow removal on roads, streets, and runways. Personnel from Montana Department of Transportation, cities, towns, counties, tribal members, and military are welcome. There will be safety instruction, hands-on experience, food, & prizes.

EQUIPMENT
Equipment used in the Snow Rodeo will be provided by Tractor & Equipment Company, Gallatin County, and RDO Equipment Company. Contestants will be provided a single-axle snowplow truck, a 4-cubic-yard articulating front-end loader, a general purpose backhoe, and a motorgrader with a 14-foot moldboard for the competition.
